NOT	res:
1	There is difference in the rate of interest charged by the Financial Creditor in its claim, as compared to the rate of interest stated in the CDR documents, executed between the Corporate Debtor and the
	Lenders. Accordingly, the claim has been accepted after due reconciliation and necessary adjustments thereof.
2	There is no provision in the CDR documents, which entitles a Lender to charge differential/additional interest on delay in creation of Security documents. Hence, such interest charged by the Creditor has not
	been accepted.
3	While substantiating the claim, the Liquidator has sought further evidence/clarifications from the Financial Creditor, which is pending, leeding to a difference in the accepted amount of claim.
4	As per the CDR documents, the interest on the NCDs for the first two years was required to be converted into FITL and treated accordingly. The same has not been complied with by the Financial Creditor. As
	such, the differential amount of claim of such Financial Creditor has been reconciled and admitted accordingly.
